mission

The mission of The CSL Foundation, Inc. is to provide support, comfort and hope for children and teenagers in Massachusetts who are struggling to overcome health and life challenges.

Whether they are facing an immediate medical crisis, terminal illness, chronic condition or long-term need, we strive to improve the quality of their lives by granting wishes and providing medical equipment, family assistance, scholarships, education and encouragement in a proactive manner.

We directly fund local individuals and organizations that share our goals. It is our ongoing commitment to help children cope successfully with their issues and to experience joy and wellness in their everyday lives.

you're not in this alone. we can help

It is our goal to help Massachusetts children and teenagers in need, and we give every application careful consideration. Unfortunately, we cannot fulfill all requests that we receive. Programs for giving may include:

- Medical equipment and supplies
- Therapeutic aids and adaptive devices
- Financial assistance for families with a child or teenager in need
- Transportation or lodging for families with a hospitalized child
- Wish grants
- Scholarships
- Educational programs
- Nutritional programs
- Exercise & adaptive exercise programs
- Accessibility construction

the review process

Each Board member and officer will review every request from individuals and organizations. Decisions will be based upon the merits of the request, the anticipated benefit, and the availability of funds. If there are questions about your proposal, you may receive a telephone call or a letter requesting further information.

Organizations, please note: We provide assistance to organizations aligned with our mission and goals that spend greater than 75% of funds to support those in need, do not hold excessive assets in reserve, and provide "open-book" disclosure on financial information.
